This is the creation of Allahﷻ. So show Me that which those (whom you worship), besides Him have created. Nay, the Zalimun (polytheists, wrong-doers and those who do not believe in the Oneness of Allahﷻ) are in plain error.

And who does more wrong than he who invents a lie against Allahﷻ or rejects the Truth when it reaches him? Is there not a home in Hell for those who reject Faith

Verily, those who hope not for their meeting with Usاللهﷻ, but are pleased and satisfied with the life of the present world, and those who are heedless of Our ﷻAyat (proofs, evidences, verses, lessons, signs, revelations, etc.),

According to the "Weekly Takbeer" (19-10-95, Karachi, Pakistan), Tableeghi Jamaat got permission to establish propagation centres. The Jamaat has already set up offices close to government buildings in taal abeeto and baitullaham. On the 7th of October 1995, Abdul Mahdi, leader of the delegation of Palestinians and now living in Jordan, said upon arriving in Raiwind that the deputation of Tableeghi Jamaat members had not even uttered a word of protest at the brutality

what psychology says about likes/ dislikes

"Hate is a bit like debt, it can start very small but it can compound quite quickly, and it does similar things to us that debt does. It takes away more than we think. Sometimes it's that same disempowerment that fuels it further. It can spiral and that's always a challenge.

— Lee Chambers

The Merriam-Webster dictionary defines hate as being

Al-Ankaboot (29:69)

And those who strive in Our (cause),- We الله ﷻ will certainly guide them to our Paths: For verily Allah ﷻ is with those who do right.

And who does more wrong than he who invents a lie against Allah ﷻ or rejects the Truth when it reaches him? Is there not a home in Hell for those who reject Faith

one of the following:

(1)intense hostility and aversion usually deriving from fear, anger, or a sense of injury

extreme dislike or disgust

(2) a systematic and especially politically exploited expression of hatred.

(3) Hate is part of that range of human emotions. It is quite distinct, in that it is a longer-term emotion. It's not an immediate, acute emotion, like anger or sadness."

(4) Dr. Saxe regards hate as an extension of the human tendency to form groups — and for those groups to become "us," the in-group, versus "them," the out-group.

----Hatred inflames and activates several areas of the brain : the medial frontal gyrus, right putamen, the premotor cortex, the frontal pole, and the medial insula. The greater the reported hate, the more these areas were activated.

Al-Ankaboot (29:69)

And those who strive in Our (cause),- We الله ﷻ will certainly guide them to our Paths: For verily Allah ﷻ is with those who do right.

And who does more wrong than he who invents a lie against Allah ﷻ or rejects the Truth when it reaches him? Is there not a home in Hell for those who reject Faith

In hate, only a small area of the frontal cortex is deactivated, suggesting that the hater may want to exercise judgment in calculating moves to harm, injure, or otherwise exact revenge.

Hate and Aggression-

The dehumanization of an enemy is a common tactic in Aggression- reduces people to the status of animals or automata, and therefore not subject to the normal moral rules.

It is a well-known method goading the followers for Aggression- indiscriminately . By characterizing the enemy as not really human, worthy of hatred and killing, leaders like Hitler may try to justify their Aggression Vandalism,Pillage Rape-Driving away people from their dwellings-as is evident in even some Demonocracies..

O you who believe! Verily, there are many of the (Jewish) rabbis and the (Christian) monks who devour the wealth of mankind in falsehood, and hinder (them) from the Way of Allah (i.e. Allah's Religion of Islamic Monotheism). And those who hoard up gold and silver [Al-Kanz: the money, the Zakat of which has not been paid], and spend it not in the Way of Allah, -announce unto them a painful torment.

On the Day when that (Al-Kanz: money, gold and silver, etc., the Zakat of which has not been paid) will be heated in the Fire of Hell and with it will be branded their foreheads, their flanks, and their backs, (and it will be said unto them):- "This is the treasure which you hoarded for yourselves. Now taste of what you used to hoard."
